DEAR CONGRESSMAN WEXLER:

Would you please look into the matter set forth below:

The proposed buyout/merger of Direct TV by Dish Network will result in even less competition in a bad situation. Our only cable company keeps raising prices and providing worse service. Dish Network makes promises they don't keep. We now have Direct TV and are reasonably happy with them although they have raised prices. A merger would only result in worse service and higher prices. Please stop this merger. It is not in the general public interest and is monopolistic.
